

EDATAQUICK — PRIVACY POLICY

Last Update: June 25, 2018

1. Introduction

This Policy details our commitment to protecting the privacy of individuals who visit our Websites (referred to as “Website Visitors”) or who register to use the products and services which we market (the “Service(s)”). For the purposes of this Policy, the term, “Websites”, shall refer collectively to www.edataservices.com and www.edataquick.com as well as the other websites that e Data Services U.S., LLC dba eDataQuick and eData Services operates and that link to this Policy.

2. Scope of This Policy

This Policy applies to the Websites that link to this Policy.

This Policy does not apply to third party websites. Our Websites may contain links to other websites. The information practices and the content of such other websites are governed by the privacy statements of such other websites. We encourage you to review the privacy statements of any such other websites to understand their information practices.

This Policy does not apply to our security and privacy practices in connection with your access to and use of the products and services which we market on our Websites (our “Services”). These security and privacy practices, including how we protect, collect, and use electronic data, text, messages, communications or other materials submitted to and stored within the Services by You (“Service Data”), are detailed in and governed by our Terms of Service, available here, or such other applicable agreement between you and eData Services relating to Your access to and Your use of such Services.

3. Information That You Provide to Us

We ask for and may collect personal information about you such as your name, address, phone number, email address, instant messaging ID, and credit card information, as well as certain related information like your company name and website name, when you register for an account to access or utilize one or more of our Services (an “Account”). We also ask for and collect personal information such as an email address and a name or alias from any individual that you authorize to log into and utilize our Services in connection with Your Account.

If you sign-up for a Free Trial, you are not required to enter your credit card information unless and until you decide to continue with a paid subscription to our Services. A third-party intermediary is used to manage credit card processing. This intermediary is not permitted to store, retain, or use your billing information for any purpose except for credit card processing on our behalf.

We refer to any information described above as “Account Information” for the purposes of this Policy. By voluntarily providing us with Account Information, you represent that you are the owner of such personal information or otherwise have the requisite consent to provide it to us.

We ask for and may collect personal information from you when you submit web forms on our Websites or as you use interactive features of the Websites, including: participation in surveys, contests, promotions, sweepstakes, requesting customer support, or otherwise communicating with us.

4. Information That We Collect from You on our Websites

Cookies and Other Tracking Technologies:

We and our authorized partners may use cookies and other information gathering technologies for a variety of purposes. These technologies may provide us with personal information, information about devices and networks you utilize to access our Websites, and other information regarding your interactions with our Websites.

Web beacons, tags and scripts may be used on our Websites or in email or other electronic communications we send to you. These assist us in delivering cookies, counting visits to our Websites, understanding usage and campaign effectiveness and determining whether an email has been opened and acted upon. We may receive reports based on the use of these technologies by our third-party service providers on an individual and aggregated basis.

We use Local Storage Objects (“LSOs”) such as HTML5 to store content information and preferences. Various browsers may offer their own management tools for removing HTML5 LSOs. Third parties with whom we partner to provide certain features on our Websites or to display advertising based upon your Web browsing activity use LSOs such as HTML5 and Flash to collect and store information.

Logs:

As is true with most websites and services delivered over the Internet, we gather certain information and store it in log files when you interact with our Websites and Services. This information includes internet protocol (IP) addresses as well as browser type, internet service provider, URLs of referring/exit pages, operating system, date/time stamp, information you search for, locale and language preferences, identification numbers associated with your devices, your mobile carrier, and system configuration information. Occasionally, we connect personal information to information gathered in our log files as necessary to improve our Websites and Services. In such a case, we would treat the combined information in accordance with this Policy should be changed to As is true with most websites and services delivered over the Internet, We gather certain information and store it in log files when you interact with our Websites and Services. This information includes internet protocol (IP) addresses as well as browser type, internet service provider, URLs of referring/exit pages, operating system, date/time stamp, information you search for, locale and language preferences, identification numbers associated with your devices, your mobile carrier, and system configuration information. Occasionally, We connect personal information to information gathered in our log files as necessary to improve our Websites and Services. In such a case, We would treat the combined information in accordance with this Policy.

Analytics:

We collect analytics information when you use the Websites to help us improve them, including through the use of cookies. We may also share anonymous data about your actions on our Websites with third-party service providers of analytics services.

5. Information Collected From Other Sources

Social Media Widgets:

The Websites include social media features, such as the Facebook Like button, and widgets, such as the Share This button or interactive mini-programs that run on our Websites. These features may collect your Internet protocol address, which page you are visiting on the Websites, and may set a cookie to enable the feature to function properly. Social media features and widgets are either hosted by a third party or hosted directly on the Websites. Your interactions with these features are governed by the privacy statement of the companies that provide them.

Information from Third Party Services:

We may also obtain other information, including personal information, from third parties and combine that with information we collect through our Websites. For example, we may have access to certain information from a third party social media or authentication service if you log into our Services through such a service or otherwise provide us with access to information from the service. Any access that we may have to such information from a third party social media or authentication service is in accordance with the authorization procedures determined by that service. If you authorize us to connect with a third-party service, we will access and store your name, email address(es), current city, profile picture URL, and other personal information that the third-party service makes available to us, and use and disclose it in accordance with this Policy. You should check your privacy settings on these third-party services to understand and change the information sent to us through these services. For example, you can log in to the Services using single sign-in services such as Facebook Connect or an Open ID provider.

These single sign-on services will authenticate your identity, provide you with the option to share certain personal information (such as your name and email address) with us, and pre-populate our sign up form. Services like Facebook Connect give you the option to post information about your activities in the Services to your profile page to share with others within your network.

6. How We Use Information That We Collect

We may use the information we collect about you (including personal information, to the extent applicable) for a variety of purposes, including to (a) provide, operate, maintain, improve, and promote the Websites and the Services; (b) enable you to access and use the Websites and the Services; (c) process and complete transactions, and send you related information, including purchase confirmations and invoices; (d) send transactional messages, including responses to your comments, questions, and requests; provide customer service and support; and send you technical notices, updates, security alerts, and support and administrative messages; (e) send promotional communications, such as providing you with information about products and services, features, surveys, newsletters, offers, promotions, contests, and events; and provide other news or information about us and our partners (you can opt-out of receiving marketing communications from us by contacting us at privacy@edataservices.com or following the unsubscribe instructions included in our marketing communications); (f) process and deliver contest or sweepstakes entries and rewards; (g) monitor and analyze trends, usage, and activities in connection with the Websites and Services and for marketing or advertising purposes; (h) investigate and prevent fraudulent transactions, unauthorized access to the Websites and the Services, and other illegal activities; (i) personalize the Websites and Services, including by providing features or advertisements that match your interests and preferences; and (j) for other purposes for which we obtain your consent.

7. Sharing of Information Collected

Third-Party Service Providers:

We share information, including personal information, with our third-party service providers that we use to provide hosting for and maintenance of our Websites, application development, backup, storage, payment processing, analytics and other services for us. These third-party service providers may have access to or process your personal information for the purpose of providing these services for us. We do not permit our third-party service providers to use the personal information that we share with them for their marketing purposes or for any other purpose than in connection with the services they provide to us.

Compliance with Laws and Law Enforcement Requests; Protection of Our Rights:

In certain situations, we may be required to disclose personal information in response to lawful requests by public authorities, including to meet national security or law enforcement requirements. We may disclose personal information to respond to subpoenas, court orders, or legal process, or to establish or exercise our legal rights or defend against legal claims. We may also share such information if we believe it is necessary in order to investigate, prevent, or take action regarding illegal activities, suspected fraud, situations involving potential threats to the physical safety of any person, violations of our Service Agreement, or as otherwise required by law.

Testimonials:

From time to time, we may post testimonials on the Websites that may contain personal information. We obtain Your consent to post Your name along with Your testimonial. If you wish to update or delete your testimonial, you can contact us at privacy@edataservices.com.

Referrals:

If you choose to use our referral service to tell a friend about our products and services, we will ask you for your friend's name and email address. You must only provide your friend's name and email address if you have a reasonable belief they will not object to us contacting them. If you do, We will automatically send your friend an email inviting

him or her to visit the Websites and will store this information for the purpose of sending this initial email, tracking the success of our referral program and other marketing activities. Your referral may contact us at privacy@edataservices.com to request that we remove his/her information from our database.

Community Forums:

The Websites may offer publicly accessible blogs, community forums, comments sections, discussion forums, or other interactive features (“Interactive Areas”). You should be aware that any information that you post in an Interactive Area might be read, collected, and used by others who access it. To request removal of your personal information from an Interactive Area, contact us at privacy@edataservices.com. In some cases, we may not be able to remove your personal information, in which case we will let you know if we are unable to do so and why.

With Your Consent:

We may also share personal information with third parties when we have your consent to do so.

Data retention

We retain the personal information we collect where we have an ongoing legitimate business need to do so (for example, to provide you with our Services, to enable your participation in an event, and to comply with applicable legal, tax or accounting requirements).

When we have no ongoing legitimate business need to process your personal information, we will either delete or anonymize it or, if this is not possible (for example, because your personal information has been stored in backup archives), then we will securely store your personal information and isolate it from any further processing until deletion is possible.

10. How to exercise your data protection rights

You have certain choices available to you when it comes to your personal information. Below is a summary of those choices, how to exercise them and any limitations.

Correcting, updating and removing your information:

If you wish to exercise Your data protection rights in respect of personal information stored or processed by us (including to seek access to, or to correct, amend, delete, port or restrict processing of such personal information) you should email us at privacy@edataservices.com and let us know how you wish to modify or deactivate your account or personal information. We will respond to your request within thirty (30) days.

Request that we stop using your information:

You may request that your personal information no longer be accessed, stored, used and otherwise processed where you believe that we do not have the appropriate rights to do so. For example, if you believe that an account was created for you without your permission or you are no longer an active user, you can request that we delete your account as provided in this Policy. Where you gave us consent to use your personal information for a limited purpose, you can contact us to withdraw that consent. You can also opt-out of our use of your personal information for marketing purposes by contacting us, as provided below. When you make such requests, we may need time to facilitate your request.

Opt-out of communications:

We offer those who provide personal contact information a means to choose how we use the information provided. You may manage your receipt of marketing and non-transactional communications by clicking on the “unsubscribe” link located on the bottom of our marketing emails or you may send a request to privacy@edataservices.com. You may opt-out of receiving promotional communications from us by using this unsubscribe link within each email. Even after you opt-out from receiving promotional messages from us, if you are an Agent, then you will continue to receive transactional messages from us regarding our Services. You can opt out of some notification messages in your account settings.

11. Children's Personal Information

We do not knowingly collect any personal information from children under the age of 13. If you are under the age of 13, please do not submit any personal information through our Websites or Services. We encourage parents and legal guardians to monitor their children's Internet usage and to help enforce this Policy by instructing their children never to provide personal information through the Websites or Services without their permission. If you have reason to believe that a child under the age of 13 has provided personal information to us through the Websites or Services, please contact us at privacy@edataservices.com, and we will use commercially reasonable efforts to delete that information.

12. Business Transactions

We may assign or transfer this Policy, as well as your account and related information and data, including any personal information, to any person or entity that acquires all or substantially all of our business, stock or assets, or with whom we merge. If we do, we will inform them of the requirement to handle your personal information in accordance with this Policy.
